

## September 2018 BOM (Denise Jameson)

Test your  $\frac{1}{4}$ " seam BEFORE sewing your block by sewing 3 pieces of fabric 1-1/2 x 3-1/2 together in rows. Measure the centre seam. It should **be exactly 1" wide**. Make adjustments to your needle position and/or the line on your machine to correct if it is wrong.

### Fabric Requirements:

*Based on fabrics that are 42" wide. One block finishes 12.5" square.*

#### Fabric A – included GREY

3" width of fabric (WOF) strip (from this, cut **A4 first** and then all of the 1.5" wide pieces)

You will supply 3 other fabrics, **preferably solids** to maintain the 'modern' look to this quilt.

#### Fabric B

1.5" WOF strip

#### Fabric C

2" WOF strip (from this, **cut C2 and C5 before cutting 1.5" wide pieces**)

#### Fabric D

3.5" x 15.5" scrap or bigger

#### Cutting:

A1, A3, A5, A6 = 1.5" x 12.5"

A2 = 1.5" x 4.5

A4 = 3.5" x 3"

B1, B2 and B3 = 1.5" x 8.5"

C1, C3, C4, C6 = 1.5" x 8.5"

C2, C5 = 3.5" x 2"

D1 = 3.5" x 3"

D2 = 1.5" x 12.5"

**Assembling the Block:**

1. Assemble C1, B2, C3 and C4, B3, C6.
2. Assemble B1 and A2.
3. Assemble portion C1/B2/C3 to C2 and A4.
4. Assemble portion C4/B3/C6 to C5 and D1.
5. Now, working left to right assemble A1, B1/A2, A3, Portion 1, A5, Portion 2, D2 and A6. Your block is complete– Quick and simple!
